

Designed to enhance your home, our high quality exterior shading solutions effectively control heat and light, helping to keep your home cool.

Choose from a stunning array of options, styles, trims, colours, textures and fabrics that really set the standard in design. Our SHADE Folding Arm Awnings feature unique design characteristics with a variety of styling options to choose from, to help you find a solution that best suits the design of your home.

Enhance your home's natural outdoor landscape by creating a look that matches your home's exterior and expresses your own individual style – select from our collection of cleverly designed folding arm awnings:

CABANA (open style) Folding Arm Awning (shown left)

Available with a range of accessories that allow you to customise the design of your awning

PALM (semi-cassette) Folding Arm Awning (shown right)

Features an oval design, especially suited to homes with design curves

Our Folding Arm Awnings feature SHADE acrylic fabric in a range of colours and designs, including:

SHADE Fabric A2200

SHADE Fabric A2900

SHADE Fabric R129

MAPLE (full cassette) Folding Arm Awning (shown below)

Features an understated, traditional, rounded rectangle design that suits almost any style of home.

Awning Operation

Featuring the latest in awning gear control technology – with a 4.4:1 ratio – any sized folding arm awning is easy to operate.

MOVE® Motorisation

Available with either hardwired or remote control operation, you can easily control your awnings with the simple touch of a button.

Manual override options are also available, which enable you to operate your awnings even if the power is out.

SHADE Awnings Optional Accessories

Optional accessories include special remote controls, and sun and wind sensors that allow intelligent automation of your awnings, for optimal management of heat, glare and wind.

Rain hoods (that ensure no water run off behind the awning's mounting point) are also available, in standard and powder coat colour finishes.

SHADE Awnings are backed
by our 5 Year Warranty*
